# Mini Deep Dish Pizza

From: LAUREN TURNER, Personal Lines

4 flour tortillas for burritos (8 inch)

3/4 cup shredded mozzarella cheese

1 cup pizza sauce

1/4 cup grated Parmesan

36-48 mini pepperonis

## DIRECTIONS

Preheat oven to 425°F. Lightly oil a 12-cup muffin tin or coat with nonstick spray. Working one at a time, lay tortilla on a flat surface. Using an empty can or round cookie 3" cutter, cut 3-4 medium circles, pressing firmly enough in a rocking motion to cut through the tortilla. Fit a tortilla circle into each of 12 muffin tins, pressing carefully to make sure there is an opening in the center. Scoop 1 tablespoon pizza sauce into each muffin tin. Sprinkle with mozzarella and Parmesan cheeses, topping with 3-4 mini pepperonis each. Place into oven and bake for 10-12 minutes, or until cheese has melted. Serve immediately.
